

## MESSAGE FROM THE PRINCIPAL

For over 50 years St. Ann School has been serving the parish of St. Ann and community of Emmaus by providing a quality Catholic education to students. Under the leadership and guidance of the principal and pastor, our experienced and dedicated faculty and staff recognize the dignity and differences of each child. They provide our students with a quality education in which the students have the opportunity to develop spiritually, academically, physically, and morally within a community of faith that inspires them to live as Jesus lived.

Recognizing that parents are the primary educators of their children, here at St. Ann's we encourage parents to take an active role in their child's education and school life. We encourage our parents to become active in our Home & School Association and become involved in the activities that help add to the success of our school. Parents are also encouraged to take advantage of the many opportunities to volunteer, in the classroom, cafeteria, library, art room, on field trips and in many other areas of the school community.

St. Ann School curriculum meets all educational guidelines established by the Diocese of Allentown. In addition the curriculum meets and exceeds Pennsylvania State Standards. We are proud of our accreditation by the Middle States Association of Colleges and Schools. St. Ann School maintains high standards for our students, faculty, and staff. We are proud of our students' achievements and accomplishments as evidenced by our challenging curriculum and high standardized test scores. Our students score in the 90<sup>th</sup> percentile on the Iowa Tests of Basic Skills and are well prepared to enter High School. Over the years our students have also received recognition at the Diocesan level as well as within the community for the many contests and competitions in which they have participated.

Our spirit of service is demonstrated in the many ways we reach out to our parish, our community, and our nation. Through our school prayer partners, our participation in community events, our organization of clothing drives, toy collections, and food drives, and along with our monetary donations to local and national organizations, our service to others is evident in everything we do.

**Spirituality, Academics, Service** all make your choice of **St. Ann's School** an excellent investment in your child's future.
