

Face Masks

As we continue to ensure that our health and safety plan remains up to date, we have revised our plan to reflect the following change in mask requirements:

DOH updated mask mandate as of August 17, 2020 is as follows; students are required to wear face coverings at all times while in school, even when six feet of social distancing can be achieved. There are limited exceptions.

Schools may allow students to remove face coverings when students are:

- Eating or drinking when spaced at least 6 feet apart; or
- When wearing a face covering creates an unsafe condition in which to operate equipment or execute a task; or
- At least 6 feet apart during “face-covering breaks” to last no longer than 10 minutes.

A face shield may be worn in place of a facemask when a student is seated at their desk at a distance of 6 feet of social distancing. However, when a student is away from their desk or in communal areas of the building, facemasks are required.
